*****HAVERINGS NO 29*****

HAVERINGS is a fanzine of comments upon fanzines received by the editress.

Only this time it is only a listing of zines received. Subscribers are requested to note that this will not count in their subscription as it is not a proper issue.

My Mother died after a short illness in August. Because of this I find now that the letters and zines have just piled up too much for me to try to get straight without taking the drastic measure of putting out a truncated HAVER. My sincere apologies to the fanzine editors who have had no proper comments this time round. I will be back on schedule at the start of October and the next proper HAVER will come out in November.

Badinage: No 2: From Graham Boak, c/o 9 Cotswold Rd. Bedminster, Bristol 3. The Journal of the Bristol & District SF Group. No price quoted. Recommended.

No-Eyed Monster: No 11: From Norman Masters, 720 Bald Eagle Lk. Rd. Ortonville Mich. 48462.5 for \$1. Reproduction greatly improved. SF fiction & poetry

Sirruish: No 4: From Leigh Couch, Rt 2, Box 889 Arnold, Mo. 63010. Official organ Ozark SF Assoc. Good varied zine. 25¢ or letters.

Pas Tel: No 23: This was the artists zine; but has now been discontinued due to lack of interest. Yet it is an extremely interesting zine and this is a very great pity.

Dynatron: No 31: From Roy Tackett.. this has also gone into suspension and again is a great pity. This was one of the few zines which really combined sf and humour.

Curse You Red Baron!: No 7: From Dick Eney, ..and not much use giving his Viet Nam address either, as he is supposed to be shifting from there shortly. This has been his zine on the election that took place in Saigon.

Nyarlatheptep: No 5: From Ben Solon, 3933 N. Janssen, Chicago, 111, 60613. British Agent: Alan Dodd, 77 Stanstead Rd. Hoddesdon, Herts. 30¢ or 1/9d. 80pp and full of goodies, I am ashamed to have so little space to praise it.

SF Weekly: Nos 187, 188, 189, 190. and SF Critic No 4: All from Andrew Porter, 24 E 82nd St. New York 10028. I am British Agent. 14/\$1 or 10/8s. Full of fan and pro sf news and highly recommended.

SF Weekly: No 194: From Andrew Porter, address and rates as before. A must for the busy faned, fan and interested pro. The same goes for No 195 which arrived with this issue. As Andy is on the NYCON committee he is to be congratulated in keeping up this steady schedule.

Skyrack: No 94: From Ron Bennett..I can't give his address as since I have received this he has left the country. As this issue came out I have a shrewd suspicion that we have not yet seen the last of SKY. For which much thanks..

The Scarr:No 120:From George Charters, 3 Lancaster Ave.Bangor.N.Ireland. Accepts trades and free for letters. This is the best British fanzine at the moment. It gets more like HYPHEN every issue. Has a BOSH article this time--and a letter column has been added.

Odd:No ?:From:Raymond Fisher,4404 Forest Park.St.Louis.Missouri 63108. The editor forgot to list his name in this issue..and as I had not kept the envelope I had to hunt through my files to track him down.Tch,tch. Beautifully produced,good artwork, scholarly articles.Worth getting.

The International Science Fantasy Art Exhibition Bulletin:No 1:From:Bjo Trimble,243 Santa Roas Ave.Oakland.Calif.94610. This announces the death of.PAS TEL, the artists fanzine..due to the apathy with which it was greeted. I reckon that PAS TEL was a victim of the fanzine publishing explosion..too many good fanzines chasing too few commentators. Subscribers are informed that there will be a refund of their money-unless they wish to donate it to TOFF. They should please inform Bjo which. This bulletin is really a shortened version of PAS TEL and a postcard with your name and address will keep you on the mailing list.

Film Forum: No 3: From: Roar Ringdahl, Boks 495, Drammen. Norway. British Agent: Alan Dodd, 77 Stanstead Rd. Hoddesdon, Herts. 2/6d. Devoted to mainly horror films..good illos, plenty articles.

It is now the 23rd September; and I find I have to return to my home in Scotland next week again. There are still some things I must attend to there.

Rather than hold this issue back till well into October I am cutting it off here. The next issue will start off with the last week in September and so get back to normal. At all events all the zines received will have been listed. Once again my apologies for the brevity of this issue.
