-- EDITORIAL --

Something NEW has been added to the K-M-T and we don't mean the printed head either. Thru the kindness of one of the older fans (no reference to age) we are going to have a very worthwhile project to work on this coming year. BUT in order to get everything off to a smooth start you

will get all the Headings and advise thru the K-M-T. It is hoped that NFFF 1948 officers will approve of it, and sponsor this idea.

Yes, -- DARRELL C. RICHARDSON, Silver Avenue, S. Fort Mitchell Covington, Kentucky, who has done a lot of research work on it all, has donated his INDEX OF AUTHORS AND WORKS to NFFF. He has done all the illustrations and arrangements of materials. All I do is see that you members get it. He has asked me to run off the coming INDEXES and we hope to have two in each KMT until TNFF takes over.

I would suggest that you new-fans get a two-hole Binder and slip the INDEXES into it as each mailing comes to you. It will be a swell reference to the works of your favorite Authors. Darrell wants comments and corrections and addenda, as he does not claim it to be in perfect order. On the back of each sheet you can type in all future or corrective material of each authors work. That will keep it all up to date. Write to Darrell, if you have any suggestions to make. - - -

M.A. Rothman has sent \$25.00 of the PHILCON fund donated to our NFFF treasury and says the balance will be coming. Tho the stated sum of \$75.00 as total, may not be realized. NFFF appreciates the money as we are about to publish the "Sign of the Burning Hart" book. The PHILCON is very prompt. -- wish we could say as much for the PACIFICON. Walt Daugherty was to send us \$47.80, but after a years time ONLY the sum of \$5.00 has arrived here. Perhaps we are wrong -- maybe the money was for him. And we could use that money very nicely at this time.

By this time you should have the TNFF and election ballots. I hope you all vote. Looks as if no one wants the jobs where you have to work a little. Still 1947 has been a good year in many ways, and we know that 1948 will show better team-work among the officers.

The EMBLEM stickers were too late to get into the TNFF mailing so you will find it here. Those of you who don't find them, and want them can order from me. There were not enough to go around. More will be printed. A small Emblem stationery will be printed soon.

ALL MEMBERS WHO SEND IN THE DOLLAR FOR 1948 DUES NOW, will get 25 envelopes and 25 letterheads with the small emblem print, FREE. We would rather have the money in the treasury BEFORE Dec 1st, as the first of the year is a busy time anyway.

A MEMBERSHIP DRIVE is announced in TNFF (other news was too late for TNFF deadline) and if you enter 5 fans as members, you get a years dues free. A record will be kept, and you will be notified. Ask for 5 or 10 application blanks and instructions.

RAMBLER #2 will appear next issue. It is by hex ward, and is of interest to all editors who publish a fanzine of their own.

ROG PHILLIPS will run the new AMAZING reader's Column. And it is for FANDOM. No matter how you feel about PALMER and SHAVER, lets give ROG a chance. It is for Fandom, so write a letter to AMAZING.

— THE PHILCON Memory — Book —

The Philcon memory Book is a giant publication containing copies of the various fanzines and special Philcon Editions, all bound together with a printed account of the Philcon. The cover will be in colors by John Cockroft, prominent West Coast Artist.

It is jointly sponsored by the NFFF and the PHILCON Society.

Many illustrations of the convention and prominent fans, are included also. Joe Kennedy has an art page and a write-up on the "Low Life" of the doings at the convention. Dont miss it.

The price to NFFF and PHILCON Society members is 50¢, all non-members can obtain copies at 75¢ each by ordering NOW.

Send all orders and cash to;

K. Martin Carlson, 1028 3rd Ave, So, Moorhead, Minnesota.

— VIRGIL FINLAY FOLIO —

This FOLIO contains 8 illustrations by Virgil Finlay, voted the best artist by fandom. They are etching-like reproductions of the illustrations by him, that you will find in the early FFM's. It was due to Walter Dunkelberger's acquiring the rights to them from the Editor of FFM that NFFF was able to obtain this very fine FOLIO.

All members of NFFF can get copies for 50¢. Non-members must send one dollar. IT PAYS TO JOIN THE NFFF.

— "The Sign of the Burning Hart" —

by Col. David H. Keller.

Paul Spencer, Chairman of the NFFF Bookroom, announces that the FIRST AMERICAN EDITION of Dr. D.H. Keller's "Sign of the Burning Hart" will soon be published in a limited edition of 500 autographed copies. This is a story of Science and Adventure and is an unusual off-trail story. This volume originally appeared in a limited edition, published in English, of 100 copies printed in France.

This new edition is certain to become a much sought-after collector's item. It will be cloth-bound and each copy will be autographed by D.H. Keller, also.

It will contain a never-before-published article in which he describes the story's history and inner significance.

The use of a special low-cost printing process -- plus Keller's kindness in granting rights without payment --- enabled the NFFF to offer this choice item at the exceptionally low price of ;

\$1.50 to all NFFF members -- \$2.00 to non-members.

Get your order and cash in NOW. Write to;

K. Martin Carlson.

British — Trades

N.F.F.F. has quite a few English members who do not have the chance to buy mags and books, like we do in the U.S. There is a money restriction that enters into the picture. So much of the buying must be in the form of trades.

Capt. K.F. Slater wants you to get in touch with him on such a trade deal. He is desirous of getting subs to the following:

1. The two new Avon Publications.
2. Vortex. (atten. Gordon Hull)
3. Fantasy Book. published in Los Angeles. (atten. Cali-fans)

He has these trades to offer in exchange.

"The Flames" --Olaf Stapledon	6/	\$1.20
"Liners of Time" --John R. Feam	5/	\$1.00
"Erewhon" -- Samuel Bather	5/	\$1.00
"An Airplane in the Arabian Nights" --Gould	8/6	\$1.70
"Many Dimensions" --Charles Williams	7/6	\$1.50
"The Peacemaker" --John Rememham	8/6	\$1.70
"Sorcerer's Shaft" --Francis Gerard	8/6	\$1.70
"The Lady from Venus" --Gamett Radcliffe	8/6	\$1.70

Capt. Slater says there are many British books available, that you would want for your collection. He has organized the B.F.L. and with 14 other members, are bringing out a Fanzine. In the U.S, many deals can be handled thru JOHN KOESTNER, 2124 Rene CT, Brooklyn, N.Y. The British "UNKNOWN" is still being published quarterly. Will be glad to search out any British book or mag ever publish.

SO - - -LET'S GIVE THESE FELLOWS A HAND. WE DONT HOW WELL OFF WE ARE. GET THOSE LISTS OUT TO John Koestner or Capt. Slater and help a fellow mamber.
