The next meeting of the M.S.F.S. will be held at the home of Stewart Metchette, 374 ELM ST. WINDSOR, CANADA (PHONE 33259) on Saturday OCTOBER 13 at 8 P.M. 10/13/72

All fans are requested to be at the tunnell (Detroit side) at about 7 P.M. Cars we hope will be supplied. But, for latecomers----

Take tunnell bus to Windsor (12¢). After going through customs you will be let out on Oulette St. Walk to corner of Oulette & Wyandotte (across from Meretsky Gitlin store) Then take Sanitorium (Yes isn't it) bus (12¢) to Wellington & London St. This will let you out in front of the Roller Drome. Now walk back one block to London & Elm st. You'll find a church on the corner, Ben. Walk down Elm to 374, and what do you know, It might be there.

For those driving--- Through tunnell, Turn left onto Park, Down Park to Oulette, Turn RIGHT onto Oulette, Oulette to London (1 block?) Left onto London, Take London to Elm, Turn LEFT onto ~~KENEX~~ Elm and go 1/2 block to 374.

If these directions work please let me know. I have my doubts.

DAMN SMALL, DULL, UNIMPORTANT, NOTICES

After discussing the matter with Agnes I have discovered that finances are not what they are supposed to be. The treasury is PLAT.

So after the next notice a lot of Deadheads are going to be dropped from the mailing list.

Most of the ones due to be dropped have been unheard of for months and some of them have not paid dues or been present at a meeting for a year or more.

So, if you want to keep getting this bulletin better kickin with dues or at least a phone call to let us know you are still interested.

In case you don't know how you stand the next issue will carry a full membership listing and a notation of suspension if you happen to be behind.

The next meeting will formulate plans for attending the annual Halloween party of the CINCINNATI FANTASY GROUP. We are planning on driving down in several cars so there will be no transportation problem. Meet all the famous fans--- Don Ford, Charles Tanner, Lou Tabakov, Doc Barrett, Darrell Richardson, Bea Mahaffey & Sister,

BENNETT RESIGNS

Unless the membership is being hoaxed the D.S.F. League is now in the market for a new President.

I am presenting the following statement which was dictated to me over the phone this afternoon

"Because of the increasing conflict between members and other ~~other~~ other matters which are taking a large amount of my time I do hereby submit my resignation from the D.S.F. League " Bennett Sims

The next meeting of the D.S.F. League will be held at the home of Mr Winston Dawson at 65 Calvert st. ^{when} Either the Woodward street car or Plymouth-Caniff bus will drop you within a block of the house.

This will be an especially important meeting. A new president will be elected and Roger Sims will tell all about Ben Singer, Bennett Sims and the F.B.I. It is extremely doubtful that Mr. Singer will be among us much longer so come and say good bye. He will try to be there if bond can be arranged.

Now a special message to all Insurgents.

"Gather for one last kick at Bennett and Ben."

Support the Insurgent platform. Remember there are more of the same type among us. If we can't run them out perhaps we can arrange to ship them out with Singer

Special notice. Super Science Stories has suspended publication for an indefinite time. From all appearances this will be for at least six months.
