314 THE NEXT MEETING will be held in the Auditorium of the Central St. Louis Public Library, 1301 Olive, October 29 (Sunday) at 1:00 p.m. If you find yourself without transportation, call one of the following people and we'll see what can be done: Ray Fisher Je 5-0711, Norbert Couch AT 7-3366 or Hank Luttrell TA 2-1682 (Don't call me until the 28th, I won't be home.) ## I want to also mention that through the school year, until the Library closes on Sunday, the OSFA meetings will be held at the Library, the last Sunday of the month, at 1:00 in the afternoon. Make some notes on your calander.

AT THE LAST MEETING Ray Fisher made appointments to the 1969 St. Louis World Science Fiction Convention Bidding Committee -- Norbert Couch, Treasurer; Leigh Couch, Secretary. The Chairman of the Ozarkon 3 were elected, Ray Fisher and Choster Malon. A motion was made and passed that the person who had received the second highest number of votes in the election of Vice-President would serve in that position in lieu of Jim Hall, who resigned. So I collected my second office. Joyce mentioned that she happened to know that I had voted against my being Vice-President -- I protest this blatant violation of my right to a completely secret ballot. Yes indeed.

After the business meeting we looked at slides taken at various science fiction conventions by Douglas O. Clark. I seem to remember showing the slides on a table we turned up on side and placed on top of some other tables, but we couldn't have done that, could we? We helped Doc identify some of the people in the slides, and he identified a far larger number to us. Doc didn't show any of the slides he had taken at the Ozarkon 2, we will have to have him do that some time.

ANDRE NORTON MANUSCRIPTS: I'm slightly ecstatic to announce, that six Andre Norton manuscripts were recently donated to the club. As soon as I find out which ones they are, I'll let you know. They will be up for auction at the next Ozarkon. Save your money.

EDITORIAL:

This fanzine's purpose is expanding. Up until now, it was intended primarily for a St. Louis circulation almost exclusively. With this issue, I will be expanding the scope of the contents somewhat, and by next issue, I will have included fanzine and book reviews, and more news not directly related to OSFA members and business. OSFAn will continue to perform as it has in the past -- to serve as a news letter for OSFA business and news, but it will now be including more general material, too, and will be intended for a more general circulation. Actually, beginning early this summer I started moving in this direction -- I boosted the average page count from 2 or 4 to about 6, and with that extra couple of pages included some news. I'll now be expanding that policy and adding still more pages -- and attempting to increase the circulation.

COLUMBIA, MISSOURI may be developing a fan population. I've been running around tacking up mimeographed flyers announcing the existence of OSFA! So far, the response has been encouraging! I think probably we will try to get together very shortly and talk about the possibility of forming a Columbia extension of OSFA! The science fiction readers who have contacted me here in Columbia will be getting this OSFAn

*My records weren't complete on this one at the time I had to cut the stencil.
 +Through some oversight I was never informed that James Sutton was a member, so he has never received OSFAn up until this issue. I think it would be only fair to extend his membership through Oct. '68.

(X) means your membership ran out last month. Do something.

(x) means your membership runs out this month. Do something!

In addition to the above, the following former members are far behind in dues, and this will be the last OSFAn you get unless you Do Something: Mike Appel, Jim Deister, Jerry Hall, Allan Logan, Chuck Limbaugh, Bob Schoenfeld, Ron Whittington. #I still don't have addresses for Mike & Rena Hall or Ron & Dave Klobe, nor does Rich Wannan, though they all have paid dues through some future date.

MICKEY RHODES (who seems to be doing something newsworthy for every issue of OSFAn --thataboy!) has won in oil competition at the St. Louis Art Guild the Fred Green Carpenter Memorial Prize (\$200). Competition was open to all Missouri artists.

About 380 paintings were entered, of which 71 were accepted! Mickey entered 4, 4 of which were accepted. (Thanks to Joyce for the news.)

APAs: The 25th mailing of the Southern Fandom Press Alliance is out, with 132 pages, a very slim mailing for this apa. The waiting list numbers 11, however a number of those people are northerners, and southerners are given preference in joining -- Missouri is considered a southern state for the purposes of membership! Send \$1 to Lon Atkins, Box 1131, Canoga Park, Calif, 91304 to join the waiting list. ## The N3F Amateur Press Alliance mailing number 34 is out, too, from emergency official editor Lesleigh Couch. This too was a very slim mailing. This apa has no waiting list, all that is necessary for you to join is to be a member of the N3F! Contact Stan Woolston, 12832 Westlake St., Garden Grove, Calif., 92640 for more information about the apa, and see below for information on joining the N3F.
