## ----- EDITORIAL -----

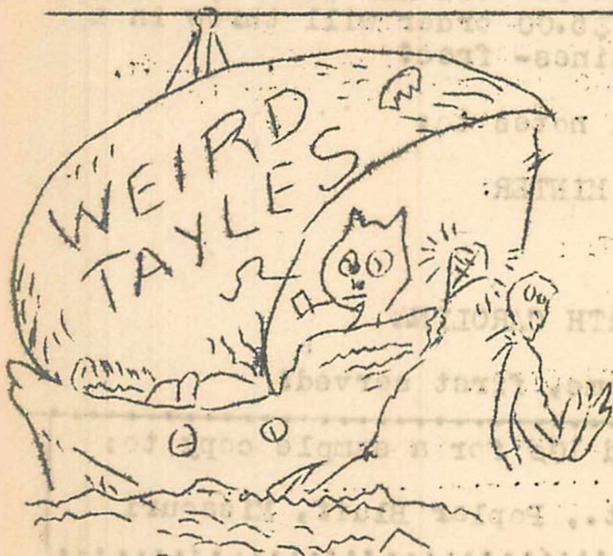

Business certainly is coming our way, both in ADS and Subs. I wish to thank J.T.Oliver for his letter in Nov FN telling fans about our service mag -STF TRADER-. Startling Stories gave us a swell rating in the last issue. All these plugs have resulted in a big increase in both ADS and Subs. And after all that is what keeps us in the publishing business. If it was n't for the splended help of Jack Irwin, I dont think I could publish, as it is a chore cutting stencils for this magazine. We now have a circulation of close to 200.

By this time you all know that a Hoax was circulated about the death of BOB TUCKER. He is very much alive and attended the CONVENTION! In the rush of mailing S-T, I couldn't wait for a verification of the news, so took it at its face value and quoted the Bulletin issued by SPACEWARP. It seems that one fan BEN SINGER had a hand in the idea, which startled many fans. I had letters and card expressing regrets ( It seems that BOB has a lot of friends).

It looks as if we will be using the long month. Each issue is harder to get out anywhere near time. Sep - Oct heading was used only to get into the right month. As your Sub is entered in our file as to VOL and NUMBER of the starting issue, you will still get the right number of issues.

If you have friends who would like a sample copy of S-T, just let me know the address or have them send me a card.

That's all for #6 ----- K.Martin Carlson.

# NOTICE

Will the fan from Fullerton, Calif. that sent me an order for books kindly get in touch with me, as you didn't enclose your address with your order.

Will Arthur Gerke please drop me a line as I have some money for him.

Will anyone know the address of Charles McKinney formerly of Sheffield, Ill. C/O Lyle Nelson, kindly tell him to write me as I have some books that belong to him.

The above fans had sent money in for books and told me to hold them. The fan from Fullerton sent in an order and never enclosed his or her address! If after this ad is placed and I get no answers, I'm not going to try and contact them again. I've been trying to contact McKinney for over a year now and have just about given up. I would like to see them get their books as I don't want to get the name of being a crooked dealer.
