

ADDENDA - THE NATIONAL FANTASY FAN.

Vol.1 No.1 August 1948  
Edited and issued by Eva Jane Clev-  
enger, 404 East Tenth Street; Comm-  
ersville, Indiana.

A SUGGESTION FROM THE NOBLE MINDS OF EVA JANE CLEVINGER AND K.M.  
CARLSON. SPREAD THE GOOD NEWS - BUT DON'T TELL EDITOR HIGGS  
AS THIS IS A SURPRISE ON HIM!!!

(Through a rouge, I willingly "and almost by force" consented to  
address and mail this months TNFF. The reason - I wanted to add  
STF. MAGLET which carries to all NFFF members the following. As  
as SPECIAL REQUEST both K. M. and I ask that you do not "let the  
cat out of the bag." This is a SURPRISE on our Official Editor -  
Ray C. Higgs. Please go along with us.)

ON NOVEMBER 8th., our official editor will become another year  
younger, yes it is his birthday - so K.M. and I got our heads to-  
gether, - by mail - that is, and decided to put this suggestion be-  
fore all you loyal members of NFFF.

I have been noticing that Higgs has been having a hell of a time  
with his d--m ol' mimeograph, that's what he has dubbed it, and he  
has been working so hard and in dead earnest for N3F - I suggested to  
K.M. that WE SHOULD give him something nice on his birthday. Since  
he has been giving us such fine work on TNFF and the Index on that  
"d--m ol' mimeograph", I suggested we all pitch in and make up a  
donation, say 1 buck each, and present him with an electric mimeo-  
graph on this occasion.

So - both K. M. and I have planked down a buck a piece to start  
things off - and are asking, begging that each and every one of you  
do like wise. Surely you will do this for a member, yes a personal  
friend to all NFFF members - one who accepted the official editor-  
ship when only ONE issue of the organ had been presented last year.  
He stopped in and finished the year with TWO fine issues, and this  
year has come forth with FOUR issues already, plus Richardson In-  
dex, and at the present time is working on one with twenty pages or  
more, being forced to mimeo 500 copies of each on this d--m ol' mi-  
meograph. Just what other loyal member who would step forward and  
do this - just for the enjoyment he receives out of it, and because  
HE IS A LOYAL MEMBER, A FINE EDITOR, AND AN EXCELLENT DIRECTOR!!! He  
has served well in both jobs, and we owe him this in return.

K. M. says, "It is fine to have a steady TNFF, and an editor who  
so willingly stepped forward and shouldered all the responsibilities

and who, is doing di--ned good work." We owe him this gift suggested, as we are constantly pouring more and more work upon him each month. It is through the official organ and its editor that our membership has shown much increase. Higgs is not only loyal and well like in the NFFF, but also in the FAPA and SAPS - plus five amateur press associations that he is a member of. He served in various offices in the ajay groups."

- and so, we are asking you to send your donation NOW to K. M. Carlson, 1028 Third Avenue; Moorhead, Minnesota and "car-mark" it TNFF EDITOR-FUND - but do it at once, as we want to purchase the mimeograph and have it delivered in time for his birthday November 8. Please don't let us down - and too, hush, hush is the word.

Another little suggestion - why not each of us send him a birthday card? Be kinda nice too.

### THAT FELLOW HIGGS! MORE EGOBOO CONCERNING HIM!

You have read and heard about it before, and again in this months issue of TNFF - and it's true. I dropped over to see how the o. o. was getting along with his EDITORS EFFORTS and STF. ALBUM, and the stacks upon stacks of finished zines would make the LASFS discontinue their fine official organ. At the deadline, and I believe he will make it - he will have ready 150 copies of THE EDITORS EFFORTS. This is sorta a cobozino, all his own - separating it into various zines. One, the ARTZINE has scores and scores of good art work by various NFFF members. Another, the POEMZINE, just full of nice poems - then there is FANMAG consisting of stories, poems, drawings, etc. and etc. - then GAMNAF "a surprise", and LETTERZINE, jammed full of letters from you all - also another or two zines - and the best part of it, you folks can STILL send in material for those zines. PLEASE DO, as he is working so hard to give NFFF something. OH, I forgot, KOMIKZINE, packed full of comics. By the way, you artists and writers, why not help out by putting your contributions on stencil, and send MANY. After all is finished, EDITORS EFFORTS will sell for ONE BUCK, the proceeds going to NFFF - and we need more than \$155 to even get the printers to touch that HART book. Send the dollar to Carlson AT ONCE so as YOUR NAME WILL BE ON THE HONOR ROLL IN EDITORS EFFORTS.

- and now, THE STF. ALBUM. Coming rather slow, just because members do not want another Philcon Memory Book - that is the memories of not receiving it after one years waiting - but this plucky little editor is hell bent for Lexington to finish the job started (he is Irish-and won't give up) and is still begging all fanzines. Many have heard his call, and are willing to help, but the ed wants to do a good job for his fellow members, and is still pleading, so I decided to have STF. MAGLET (this is just a rough sample for egoboo purposes) hid among the leaves of STF. ALBUM.

A new offer is being made to all associations and clubs, so please note. IF the OFFICERS and MEMBERS of these clubs and associations will cut 8 stencils, and send in to Higgs, he will mimeo & furnish paper for same "FREE OF CHARGE" this for the STF. ALBUM, and the proceeds go to NFFF - the cost of the book \$1. Higgs plans on about 200 or better pages for STF. ALBUM and around 150 for EDIT-

# TNFF = EDITOR = FUND!!

HERE IS your chance to donate to a very worthy cause.

Our TNFF Editor, R A Y C. H I G G S is in need of a new mimeo. The old one is in bad shape, and with an ever increasing membership, he has over 300 copies to run off ( 10 to 15 stencils) each TNFF issue.

He says he will continue to give us the steady service that we have enjoyed , for as long as we want him. He is doing a swell job of it, and it is no more than right that we support him in this TNFF work. AND THE SUM OF DONATE MONEY IS SO SMALL that most of us will never miss it . But it certainly piles up, if you rush it in to him. Send any sum that you can afford but lets get it in fast . All the dollar donations will certainly swell the fund fast, but 50¢, 25¢ will help build it up too. If 200 members send in 50¢; there is \$100.00 just like that, and no one will miss it, individually.

THINK WHAT A STEADY TNFF WILL MEAN TO US ALL.

Please help out on this FUND. -- K.Martin Carlson, Sec-Treas.

I want to thank all the WELCOM workers for a swell job done this year. (125 NEW members so far this year) Here are their names;

Henry Georgi , Chairman

John Koostner, Over-Seas Rep.

Leslie Hudson , Assistant Chairman

Charles Henderson, Western

Zeda P. Mishler, Hostess

Harry B. Moore , South

Franklin M. Dietz , East

THE "HART" book is sold out !! But if you missed the boat, let me know and I will see that you get one out of my personal lot. \$1.50 ea  
The Phicon Memory Book will be out in August. Thats the way it looks now. Only 50¢ a copy. Sec-Treas will handle your orders.

F I N L A Y F O L I O still sells at 50¢ for 8 pictures.

ORS EFFORTS. THE STF. ALBUM will sell for \$1, and monies can be sent to Carlson now. Do this at once so you can get your name on the HONOR ROLL in THE STF. ALBUM. Those who can and will mimeo a zine for this ALBUM, here are the rules - use size 8½ x 11 paper, and don't staple. Proceeds from sales of the ALBUM go to NFFF.

### A VERY GOOD IDEA!

Prospects are not bright for a WHO'S WHO - that is one with pics, names and write-ups of all members, etc. - so Director Higgs has come forth with a very good idea which is -

Let each member mimeo one sheet 8½ x 11, both sides with crud about himself/herself, and forward it to a person or group or persons to assemble - placing all the mimeo pages from all members together, making a combozine dubbing it "WHOSIT", a burlesque of the real thing. Many mems have cuts they can use, along with their mimeo work. Still will be nice until we can raise the dollars to have one printed. Officials of NFFF could have pics in this, most already have cuts, a brief history of N3F would be good, etc. WHAT SAY?

- and would you boof if a lady run in this election for director? I'd like to.
