K A Y M A R

Edited and Published by K. MARTIN CARLSON, 1028 Third Avenue South
Moorhead - Minnesota.

K A Y M A R says:

AN APPEAL to fans; Now that FROM UNKNOWN WORLDS is on the news-stands, BE SURE TO GET YOUR COPY. Better yet, get TWO of them, and use one for trading later on. WE WANT TO BE SURE THAT THIS ISSUE IS A SELL-OUT !!

There may be a chance to revive "Unknown Worlds" if the response to this Anthology is heavy enough. The price is only 25c, so get your copies now.

"THE SIGN OF THE BURNING HART" is now sold out! BUT in case you missed out on it all, I have a personal lot that I will sell to members only. And the price will be the same, \$1.50 a copy. Already the advertised price has gone up to \$2.25, and it is not in print as yet. It is bound to be a sell-out as soon as it is published, (sometime in November, if all goes well.)

THIS IS THE SECOND MAILING OF THE RICHARDSON INDEXES.

I want to call your attention to the members who have been very active on the preparing of the stencils. It is no small job to type all the pages. With this 'triplezine' you are receiving the second part of "mailing two" of the Index. The first part came to you with the October issue of TNFF.

***** HONOR ROLL *****

RAY C. HIGGS	-----	Mimeograph and mailing work
HUGH HENRY	-----	Stencils
Redd Boggs	-----	Stencils
Keith Hoyt	-----	Stencils
Bob Farnham	-----	Stencils
K. M. Carlson	-----	Stencils
Evan Appleman	-----	Stencils

THERE IS STILL TIME TO GET YOUR MONEY INTO THE "EDITORS FUND" & to subscribe to the Stf Album and Editors Effort. So get your \$1.00 into each. The response has been very good so far, BUT we want to make it a LOT better. All profits will be placed in the NFFF treasury, so you have nothing to loose. We need more money in the treas-

ury to be able to continue the "Richardson Indexes" and mail them to you NFFF members. No other organization has a service of this kind.

THIS 'TRIPLEZINE' IS BEING MADE POSSIBLE by our most active fen who is really coming to the front in publishing and various phrases of fandom - Mrs. Eva Jane Clevenger of 404 East 10th. St., Connersville, Indiana. You will note that Eva has many contributions both in Editors Effort and Stf. Album. Congratulations, Eva, for the fine work you are doing - not only yourself - but that too, of encouraging others to become active.

"BEFORE IT IS TOO LATE - LET'S DO IT NOW IN '48!" - Even tho the year is coming to a close, Ray Higgs - that plucky little official editor of our fine TNFF continues to fight on, and has coined the phrase "BEFORE IT IS TOO LATE - LET'S DO IT NOW IN '48" - thus we pass this on to you in hopes that YOU, YOU and YOU will come forward, and lend aid. Subscribe for Editors Effort and Stf. Album, one dollar each, and send the two bucks to me (Carlson), too, their is the Editors Fund, (send any amount - as we are going to continue this until we have a decent amount to present Ray), - then, and then, why not publish some kind of zine for the Album, any number of pages will help make this a success. See folks - the many ways you can HELP AT THIS TIME. IT'S FOR THE GOOD OF N.F.F.F., so providing you are interested -- WHY NOT?

"WHOSIT" - why not? We haven't the monies NOW to publish a WHOSE WHO, so the idea of burlesquing a WHOSIT sound mighty fine!

BEFORE IT IS TOO LATE -
LET'S DO IT NOW IN '48!

With a membership nearing the mark of 300, the National Fantasy Fan Federation should be bubbling over with writers -- publishers -- artists -- etc. but are they?

Yes and no!

Yes, we do have them, but

Are they active?

NO! Only a mere handful of the membership are so called ACTIVE MEMBERS!

Out of the possible 300, not over 50 zines are being published. Of these many hit the mails NOW & THEN. More are of the variety of ONE-SHOT affairs.

It appears that we are well blessed with artists, and not enough publishers of zines to handle all of their wares.

Poets - we have a mere handful.

Writers - well most of them write only for their zines.

Let's all become active, and
BEFORE IT IS TOO LATE -
LET'S DO IT NOW IN '48!

- Ray C. Higgs

Come on in - and get your feet wet. Write! Draw! Publish! NOW!

TO EXPLAIN!

On the front cover of STF. MAGLET, it reads - featuting....Reports, Poems, Nuzzs, Art work, etc. Well, we haven't all of this in this issue, however - this cover was cut for the Stf. Album - and all three of these zines will appear "bigger & better". These six pages were put together upon request of Eva Jane for egoboo purposes - so!

BEFORE IT IS TOO LATE -
DO IT NOW IN '48!

STF. ALBUM COMING ALONG NICELY

We have been in a sweat since we promised you folks the Stf. Album, but things are shaping up very nicely. At the present time we have the following zines, which will make their appearance in the cobo-zine:-

Stf. Maglet	Flash
Kar Mar	Llyr
fmz	Scrooge

Fan Mag	Artzine
Gamnaf	Poemzine

What about this - a fantasy music zine

.. a fantasy-stf-weird movie zine

a " " " " snap shot -hoto zine.

Are any of you interested in the above tripe? It would go nicely with our writing, drawing and publishing.
