THE CLUB CIRCUIT: News & Minutes

EASTERN SCIENCE FICTION ASSOCIATION (ESFA) -- Meets formally on the 1st Sunday of the month at 3:00 p.m., in the YM-YWCA, 600 Broad St., Newark, New Jersey.

Minutes of ESFA Meeting of June 7, 1970 --

The meeting was called to order at 3:27 p.m., with an attendance of 21, including visitor Lester del Rey. The Secretary's minutes and Treasurer's report were given and accepted.

It was reported that Hans Stefan Santesson had been discharged from the hospital on May 16, and that he would take a six-month rest. He will be guest-of-honor at ESFA's Open Meeting, health permitting. Director Burley said that the Banquet Meeting will be held the weekend of Oct. 3 and 4 at the Robert Trent Hotel, to coincide with the Open Meeting. The banquet will be Sunday afternoon, with a party Saturday night. Sam Moskowitz was to check on the availability of the "Y" hall for the October meeting, but after a motion by Sherma Burley and discussion, it was decided to hold all activities at the hotel for the weekend.

Sam Moskowitz called attention to a nine-page article on him in the NEWARK SUNDAY NEWS magazine section for May 24. It was also reported that Adrian Conan Doyle had died. Bob Weinberg announced that his "Hero Pulp Index" has been published, and that he would give a talk at the comics collector convention to be held at the Statler-Hilton Hotel in New York, July 3-5.

Guest speaker, Judy-Lynn Benjamin, managing editor of GALAXY, was introduced and spoke on the state of things with the Universal s-f magazines. She announced that WORLDS OF TOMORROW was about to be revived. WORLDS OF FANTASY, edited by Lester del Rey, will follow shortly, in late summer. Circulation of GALAXY and IF has gone up steadily, possibly due to a new and better distributor. Editor Jakobson does most of the reading and buying. Working with the Associate Publisher, Miss Benjamin makes up the book. She obtained the new Heinlein novel, "I Will Fear No Evil", which will start in the July, 1970 issue, and will run for 3 or 4 installments. There will be very little condensation. All four magazines will go bi-monthly, at 192 pages for 75¢. The price increase will not affect current subscriptions. Bi-monthly publication will, however, curtail future novel publication, with long novelettes and short novels getting preference. This will postpone the publication of Farmer's next Riverworld story, scheduled for IF. Miss Benjamin pointed out that s-f publishing is a commercial venture, and although attention is paid to letters and suggestions by fans, not all of their numerous suggestions can possibly be adopted and still allow for a profitable return. ((And still another suggestion -- revive the GALAXY NOVELS series to print the novels which will no longer be serialized in the bi-monthly magazines. --ed.))

On the personal side, she said that when she got out of college she wanted to go into publishing, and heard of a job opening at GALAXY. She knew nothing of s-f, but was interviewed and hired by Fred Pohl. What was at first just another job turned into real enjoyment after her first convention. Here she found herself taking a personal interest in anything said for or against GALAXY.

The meeting was adjourned at 5:05 p.m.

-- Allan Howard, Secretary, ESFA
