

SOTM SUPPLEMENT 2

being done because I need a mailing sheet and also because I would like make a few additions or correct a few errors. I made an almost unfor-
 -earable mistake on page 11 - The name of the UFC apa/newsletter is Tetra-
 -mation Fragments. Many apologies, Kurt. Also, on page 10, the name
 -er RAPS should read 'Ed Connor'; sorry Ed.

One day I get a letter from BRIAN EARL CROWN saying he's not coming with the Doc Savage apa, and another day I get a letter from LESTER TILLIER saying that he is. If you're interested, you might want to te Lester at 2726 Castiglione St., New Orleans, La. - 70119. He plans call it PAPA (Pulps Amateur Press Alliance), and says that it will be rterly with a minac of 2-4pp every 2 mgs. He would like to have 10 bers before he starts, and he already has three, counting himself.

This issue only will be going through the following apas - ISAPA, S, Stobcler, and DAPA-em. If you would like to receive the next issue you are receiving this through one of those apas, then I suggest you te me or trade or something, rather than just commenting on me through apa. It's very inconvenient trying to weed out information through mailings, especially so if you've already done most of the next issue ore you receive the apa mlg with the comments in it.

sn LARRY CARMODY says that Norman Hockberg is thinking about reviving apa, The Big Apa. The last address I have for Norm is: Apt. 4D 69 Ave., New York, N.Y. - 10003. / MATTHEW SCHNECK says that there is a Boston-area apa called Apa-Loosa. I have no other information.

The editor of DAPA is Robert Tomlinson, 13 Silkin Way, Newton Ay-
cliffe, Co. Durham, DL5 4HE. Perhaps that's in ENGLAND, I dunno. And
that's the secretary, not the editor. For AfricAPA, you should con-
t Nick Shears, c/o Currie's Randburg, P.O. Box 333, Randburg 2125,
outh Africa. This information courtesy Peter Roberts.
