THE SOUTHERN FAN is the official organ of the Southern Fandom Group and is published by L. D. Broyles, Rt. 6, Box 453P, Waco, Texas (also edited) on a basis to later be more regular. Right now looks like it may be monthly! Use the ballot enclosed to help get things straightened out! WHOLE NUMBER IS 7.
Ad rates: \$1.00 for full page; half page 50%. 50% discount for SFGers. Deadline for next one is August 30, 1961. Get yours in now.

Next time -- Director's report, C/S's report, maybe some others reporting too. Letters, columns what have you to give with?

Thought the SFG had died? Well, I really count't blame you if you had since there was that unfortunate delay of months between TSF #4 and #5, but we haven't been idle. First off, I would like to thank Jerry Burge and Jerry Page for the superb job they did on the 5 issues of TSF that they pubbed. The excellence of its layout, editing, contents and reproduction was a great boost to the organization and made a favorable impression for the SFG on fandom in general. The SFG and I personally want to thank Burge and Page for the considerable talent, skill, time (and money, for many things they themselves paid) that went into such a fine Official Organ. However, the press of non-fannish matters forced both to finally have to give up pubbing the OO. So it is that we now have a new OE, Lloyd D. Broyles (Welcome to the slave pit, buddy). And I certainly want to express the SFG's gratitude to Lloyd for taking onto his busy schedule the job of O.E. So once again on an even keel with the OO we will work hard to meet a definite schedule.

You will note the SFG's Constitution printed in this issue. This is the combined work of Burge and Page whom I appointed to draw up our constitution. It was circulated in a round-robin to six members of the SFG whom it most affects (Burge, Page, Farnham, Jennings, Broyles and myself) and all six of us have signed it. We had considered simply throwing it open to a free-swinging discussion in the OO but this would have involved months of delay in considering what we felt sure would be suggestions of only minor changes. We have a well worked out and sound constitution, so we are going to call a vote on it by the full membership immediately rather than delay it by months of discussion. We NEED and HAVE NEEDED a good, sound and strong constitution. We actually do not exist as an organization without it. Prior to the constitution I have had to simply make decisions on my own, but with a ratified constitution I and all the officers and members will have excellent guide-lines to follow. I STRONGLY URGE YOU ALL TO RATIFY THE CONSTITUTION IMMEDIATELY! Please use the ballot enclosed in this issue of TSF.

I am sure you all know about the SFPA (Southern Fandom Press Alliance) which is now being formed. It is open to all SFGers who want to participate ... up to a limit of 20, of course. At this time we have about 10 definite replies to participate, so we still have openings. However, we aren't waiting to reach the 20 limit, but will start pubbing in a few weeks. So you who are thinking about joining the SFPA, why wait and miss out on the important first-issues. Get in now! I'll be there with my zine on which I am already at work. (Dick Ambrose and I are co-editing our SFPA-zine. If you can't pub a zine alone why not query some other SFGer about co-editing with you?) If somehow any of you didn't receive the initial announcement from Bob Jennings on the SFPA or the later SFPA Planning Zine #1 write Bob for a copy. Bob will be glad to help you join the SFPA in any way he can. Fire him a letter, won't you?

Through the generosity of Lloyd Broyles all SFGers will receive a copy of his outstanding and truly remarkable WHO'S WHO IN FANDOM, which contains information on hundreds of fans. Lloyd has most kindly allowed the SFG to give this marvelous benefit to its members at the cost of only helping him out on expenses of postage and mailing envelopes. This expenditure will come from the SFG treasury, so members receive it free as an SFG benefit. Many thanks, Lloyd.

DIRECTOR'S REPORT

As Director of the SFG I am working closely with Bob Jennings on a new and important project. When plans are complete it will be submitted to the membership thru the pages of TSF. This will be the first all SFG benefit, so we aren't going off half-cocked, but are planning it out carefully and in depth. Then you can tell us if you want us to use SFG funds to finance it. I really think you will like this one.

Speaking of SFG funds, how would you like a Director-Treasurer's report? (It is combined because I'm stuck with handling the funds until we get a duly elected constitutional Treasurer ... which I hope is soon.) So here is said report after a fashion:

FINANCIAL REPORT

A total of \$82.00 was received from May 21, 1960 through July 8, 1961 approximately a 13 months period.

Expenditures	Amount
A book of Budget Checks from the bank	1.50
Postage for use of Corresponding Secretary	20.22
Cost of pubbing the OO (#'s 1 thru 5)	17.63
Check to one member on overpayment of dues	1.00
Two copies of THE IMMORTAL STORM for Historian's file	4.00
Total	44.25
Balance in bank	37.65

We have held expenses down remarkably well. Our Corr. Sec. has held the postage expense down to about \$1.55 a month, and from that small amount he has mailed out questionnaires, acceptance letters, contact letters, dues reminders, and official mail to other officers. And I might add that Bob has unselfishly used his own envelopes and paper unstintingly. The OO was held down to \$3.53 per issue -- and that includes postage. How did Page and Burge do it? Simply by paying a considerable amount out of their own pocket. Of course, they never mentioned it, but the tally tells of their generosity and aid to the SFG. All our officers have shouldered a share of SFG expenses, so we would have a backlog of money in the treasury to use later to bring you the members some fine Benefits. Now we are beginning to see how we can bring you some excellent benefits. We only ask that you give us your support by re-newing your membership in the SFG when you receive the dues-reminder card. I know that the delay of the OO made us look bad, but we are back in the swing again. A new, hard-working O.T., a steady schedule for the OO, a sound and strong constitution, the benefit of a free copy of WHO'S WHO IN FANDOM, and an aggressive and important Press Alliance on the move. Plus a striking new benefits project that you'll hear about next issue. There is indeed logic in deserting a sinking ship, BUT the SFG is a ship now getting under full sail. We would appreciate all hands being aboard.

-Alfred McCoy Andrews

cf. -- Two copies of THE IMMORTAL STORM for our Historian's files (one in mint condition and one slightly flawed as a working copy) was purchased from Burge. They regularly sell for \$5.00 per copy ... and soon go up to \$6.50 per. Thanks, Jerry.

The editor now--Instead of beginning some other reports I thought I would begin my rambling in the space left and wherever I go from here. Item #1. I had to make a small change in the Director's report. He said thousands of entries and I received up to this date less than 300 of my questionnaires back. All went into my zine. It will be out soon, professionally printed, 40 pages. Item #2. No official report (cont. on page 5)

At this writing, July 6th, 1961, the situation on the Southern Fandom Group appears to be better than ever with the club rounding out to several projects now under way. To my knowledge, the SFG's apa, The South Fandom Press Alliance already has 11 members and I know of two or three more inquiries re joining the apa of SFG. Membership stands now at 40, and it definitely looks like 41, with more questionnaires sent out recently.

The club news, which will, I think, be disclosed in the Director's report, need not be gone into by me. Four members have been notified their dues are due, and to date but one has renewed and it might not be amiss for the remaining three to look to their dues in the near future. Sec. Broyles, of Texas, reports at this date that the club constitution is completed and on master for the nextish of TSF!

Your C/S busted a rib a couple of weeks ago and managed to recover all by his lonesome, sans medical help. He thinks he is ok...still a wee bit tenders, but . . . With the final belated arrival of the dog days, activity can be expected to slow down a bit but we urge every member to take care of his/her club responsibilities as promptly as possible.

Because of my accident, the heat, etc., some of these zines are a little dated, but they're still good for comment.

ESPRIT -- Donal Fitch, 3908 Frijo, Covina, Calif. -- Another well done item with much of interest in the contest.

TNFF -- Ralph M Holland, 2420 4th St. Cuyahoga Falls, Ohio -- One of
fandom's top zines available only to the members of the N3F; their
Official Organ. Vol.20, No. 2.

I dont know what to call this one; I cant find a title on it anywhere but it is done on white paper, easy on the eyes and filled with interest. The PO must have been mad at him; the date doesnt show in the stamp! Pubbed by Frederick Norwood.

VENTURE -- Phil Harrell, 2632 Vincent Ave., Norfolk 9, Va. (a new member) -- published and mailed by Bob Jennings it is definitely well worth seeing. Drop Phil a line along with some material, folks!

Cont from page 5 -- ye tired old ed finishing up.

WITH ABSOLUTELY NO AUTHORITY TO DO SO -- I hereby send out the call for candidates for the offices as enumerated in the Constitution. Should it be ratified by a majority I feel we owe a ROUSING vote of thanks to Director Andrews and should get ready to exercise our chance to vote him in as our first President. BY ACCLAMATION! No - seriously now please begin thinking of which office you can run for and fill to the best of your ability and time. Also RENEW like ME.

I feel like I simply must ramble on and fill out the rest of this page somehow. There is one paid advertisement in this issue. Any one else for next time? Send it immediately if not sooner. Rates on first page. Letters needed for next time. Short apology to Emile Greenleaf-I lost (in this stack somewhere) your report. He is Louisiana's state sec. One last item - I need your lists of prospective members who should be receiving the extras of TSF. Send them and I will get them on their merry way. Just found Greenleaf's report. Here it is -- I must confess to haveing been quite lax and somewhat less than dynamic in my duties. Trying to go pro you know. Attended the Midwescon. Canille Cazedessus was there. Met him and was hoping to see more later, however he was with a group of Burroughs enthusiasts, about 10 in all, who stuck pretty closely together.

JAN SADLER PENNEY is coming out of gaffiation! Letter from her on July 25, we got together the following night. Her address is 5130 Clara St., New Orleans 15, La. Jan wants to get active again and is going to join SFG and wants to flush the local fans out of hiding, if it can be done. May revise SLANDER.

That is his report. Where are the rest of you folks? ASLEEP!
