Conventions in states adjacent to SFC-land (and closer than some in, say, Miami) are Collegecon '80, April 10-13, on the University of Houston campus with George Takei and Harlan Ellison (send SASE to Po Box 94123, Houston TX 77018) and Aggiecon XI but since that's March 27-30 in Texas A&M University (PO Box 5718, College Station TX 77844) I doubt this word is helpful to anyone.

COPS DEPARTMENT: Oklahoma was barely admitted to SFCland and hasn't sent in any addresses but they do put on a nice con, so here it is:

SFC Members continue to exercise a stranglehold on a number of prestigious apas. Although the positions rotate around, they still remain homebound (and well-run, so why not?)

SFPA - the bimonthly Southern Fandom Press Alliance. Founded in September 1961 it is inching its way toward the gala 100th mailing under OE Guy Lillian III, 102 So. Brown, PO Box 3938, San Francisco CA 94119 for \$1.25 each or subs of \$12; and File 770 of a more informal and fanciful slant from Mike Glycer, 14974 Osceola St., Sylmar CA 91342 for subs of 4/\$2 plus \$1.50 for the very valuable Yearbook.

General

FAN PLUS - made its debut at Chattacon 80 by David Pettus, Rt.2, Box 274-B, Loretto TN 38469. 32 pages, offset, \$2.00. First issue contains interviews by Dave with Fred Pohl, Bob Tucker's humor, Meade Frierson on southern fandom (1st of quarterly columns), article by Gregory Benford, Michael Bishop, and reviews. The hottest new artist of Southern Fandom is Charlie Williams who receives a profile in this issue. Dave is looking for the magazine to constitute a forum for southern science fiction fandom and needs support at subs of 4/\$6 and contributions from area talent. There is a dedication to and picture of the Pres of the SFC which the subject has captioned on his own issue: "Would you trust this fan with anything sharper than a dull comicbook?" because the camera captured a look of pure insanity.

ETERNITY - a phoenix-like reappearance of Stephen Gregg's title with fiction from Roger Zelazny, Andrew J Offutt, Grant Carrington, David R Bunch, and many other features. \$1.75 per copy or \$6 for 4 issues (quarterly) from PO Box 510, Clemson SC 29631. Flyers did accompany Bulletin 22 last fall, Steve.

BARYON - is a quarterly reviewzine from Barry Hunter, 8 Wakefield Place, Rome GA 30161, 20pp mimeo for The Usual or 4/\$5.

JAMBALAYA is not exactly a clubzine (or it would be in the next section); it is a newzine for the New Orleans area for the Usual, 25¢ per copy or 8/\$2. Dana Longo, 6221 Wadsworth, New Orleans LA 70122 publishes it irregularly.

THE LIBERATED QUARK - is the genzine of the Hampton Roads SF Association, edited by M.E. Tyrrell, 414 Winterhaven Drive, Newport News VA 23606 and published by Ned Brooks. #7 was 30 pages, mimeo with a little of this, that and the other.

PUBLICATIONS (continued) - fanzines

RUNWAY 37 - a "somewhere near quarterly" from Margaret Middleton, PO Box 9911, Little Rock AR 72219 for the Usual or 30¢ 3rd class. It is often distributed at cons (notably Roc*Kon) and has articles and reviews, letters, etc.

Chaos Lord Amateur Press, PO Box 735, State University AR 72467 is the outlet for several miscellaneous items started by Nancy Collins with titles like Bamf! (for comics), Razed Consciousness #2 (fiction)

WAITING IN THE WINGS, a Journal for the 1980s, is published by returned-to-Atlanta Allen Greenfield and available by arrangement with the editor, who apparently will find you because his address in The City is DNQ.

Clint Hyde, 420 E. Roanoke, Blacksburg VA 24060 will produce his Infinity one assumes but in the interim he has put out some Jerry Collins fantasy drawings called Bamboids. Nice.

Dragonfire, Rt.3, Box 532, Eureka Springs AR 72632 offers a fantasy coloring poster by Lynn Williams - 17"x22" to be colored with pens, pencils, crayons, etc. One for \$2, 5 for \$9 and so forth; also cuts up into 4 8 1/2"x11" (the Castle, the Dragon, the House or the Bridge). 30¢ handling.

Newsletters, Clubzines

ASI-ACHIN is produced by a club in Tuscaloosa AL called SAM (it can mean many things: Society for Advancement of Macromolecules or Society for the Antithesis of Mundaneness, etc). The newsletter is run by Ward Smith, 118 Brookhaven, Tuscaloosa AL 35405. Meetings are held at Craft Supply in Meadowbrook Mall on the third Saturday of each month at 7 p.m. Official types are Jerry McKnight, Richard Powell, Debbie Burden, Chanda Fehler and Ward Smith.

ANVIL, the Birmingham SF Club newsletter, is now edited by new Club Pres, Jim Gilpatrick after the first eight issues from Wade Gilbreath. The new club address is PO Box 57031, Birmingham, AL 35209. It still meets in the Homewood library on the second Saturday of each month at around 7-7:30, and seeks interchange with other clubs

Also in Birmingham there are gatherings of sf fans among the employees of Teledyne Brown Engineering and Computer Sciences Corporation.

ATARANTES is the newszine of the Atlanta club, ASFIC and published by Cliff Biggers, 6045 Summit Wood Drive, Kennesaw GA 30144 available free to members, subs of 12/\$3.50 or The Usual. There is more than local news here - national publishing news, letters, reviews, frivolity (read a narrative treasure sometime). I will borrow news below (somewhere) - I cannot properly share the laughter - you'll have to get a sub. Meetings have been recently held at 8 pm in the Peachtree Bank on Chamblee-Dunwoody, but locals interested in attending on the 3rd Saturday of a month should call Pres Cliff at 424-0485.

BATON ROUGE SF LEAGUE NEWSLETTER - #1 was Oct.1979 and #3 was Jan. 1980 so we assume it is alive and well. Sheila Strickland edits and James R. Madden is certainly involved. For the Usual or 4/\$1. #2 had a column by Clay Fourrier, local artist.

CHAT is the newszine of the Chattanooga club, CSFA and published by Dick & Nicki Lynch, 4207 Davis Lane, Chattanooga TN 37416 available free to members or subs of 3/\$1 or The Usual. Frequently features Dick's interviews with sf pros and the drawings of Charlie Williams of Knoxville, amid letters, &c. The Club apparently has yielded to the famous Chattanooga coin-toss and changed its meeting date to the 4th Saturday at the UTC Student Center (elsewhere during the summer, I believe).

FAR REACHES - is a newly established newsletter of The Alliance: The Society of SF & F Fans of Bay County (1613 Bayview Av, Panama City FL 32401). It contains names of people previously associated with Nova Odysseus and Transmissions, Marion Russ, Toni Adkins, Tom Riley as well as Harry Hendon, John Robinson. Their fanzine will be Spectrum.

FOSFAX - is a monthly newszine of The Falls of the Ohio SF Association (FOSFA) and published by Shelby Bush III, editorial address POB 70382, Louisville KY 40270 - club address is PO Box 8251, Louisville 40208. Clubzines (continued)

IRON BARON - is the official newsletter of the Barony of Iron Mountain in Birmingham, Alabama (not of SCA, Inc. or Kingdom of Meridies). It often contains material from the con-going members of the Proctor clan (herein known as de Languilles).

JINNIA CLAN JOURNAL # 43 (Mar.80) emerged from Nelson Bond Society, PO Box 1367, Salem VA 24153 with newborn enthusiasm to return it to quarterly publication. New NBS officers are Sue Winfield, Pres; Phillip Rowe, VP, and Jack Patterson, Sec-Treas. Zine price is 4/\$3 (for now). One news item belongs in this section, as follows:

Freeworld Associates SF Fan Club (c/o Curtis W. Phillips, Rt. 7, Box 249, Abingdon VA 23210) pubs a fanzine Excursions at \$2.50/copy and a newsletter, Gapnapper and planning a con.

MEMPHISH - is a one-sheet monthly newsletter published by Mid South Fantasy Association by Greg Bridges, 140 Eastview Dr, Memphis TN 38111 with local news and club announcements. Among the newsworthy items for this section is the organization of a campus chartered club at Memphis State, Mssfa.

The Nashville SF Club publishes a one-sheet newsletter in advance of meetings with strange news (typical of NVL). The various attempts at sercon, called SerCon and more recently SpecFIS disbanded for low attendance. (More ruminations on this is a later column in Fan Plus). The First Thursday in each month continues to be the clubs meeting time at the Cumberland Museum and Science Center on Ridley Avenue at 7.

NOSFAN - is the monthly newsletter of the New Orleans SF Association (NOSFA) and published by Marilyn L. Alm, 2911 Eton St., New Orleans LA 70114. Free to members, The Usual or subs of 6/\$3. Regular features are forthcoming books and cons with con reports, reviews, etc. very tiny type (very).

I think I've finally got it straight about the Bowling Green area - there are two organizations: Western KY U SF Society, at PO Box U-122 which will have a publication called The Speculator (editor Tony Cannon) and then there is Bowling G. Warren Co. SF&F Society, c/o Rick Sheppard, Rockfield KY. OK?

Eve Ackerman wrote as "acting Despot" of the Hometown SF Soc. in Gainesville FL (2220 NW 14th Ave, zip 32605) that they had some initial meetings, including discussion with resident pro Jack Haldeman II (whom I met years ago as Jay). Mary Anne Emerson is co-founder.

There's a Darkover Council in Newport News VA - contact Ivan Clark, 819 Le Master Av, Hampton VA 23669.

HaRoSFA continues monthly meetings at 7 pm on the 3rd Thursday at the N.A.S.A. Activities Bldg in Hampton (on the right "porch" not the main auditorium). M.E. Tyrrell reports "there is also talk of reviving the club zine" - I presume she's talking about the Liberated Quark which I described above as being alive. Hmmm.

B.L. Callahan, Rt.1, Box 433, Lot 8, Anniston AL 36201 sent Static from Sub Space as a newsletter for the FEDS.

Central Florida SF meets the 2nd Monday of each month at Winter Park Civic Center. The newsletter comes from 716 North Mills Av, Orlando FL 32803. Last fall the Pres was Beth Wellenman, VP Roberta Morris, Sec Holly Lemans, and Treas. Larry Bevis.

more club and other news on page four - that's the next sheet (really)

SF Quest is not a clubzine but a zine of The Syndicate, "a wild-eyed bunch of fanatic young fen determined to make ourselves known, one way or another" (which has an ominous sound coming from Chattanooga). Colin "Starchild" Wright, 8803 Lake Villa Lane, Chat TN 37416 is editor and various views are aired.

Alabama SF Association has published at least two newsletters and announces that the purpose of the ASFA is not to replace any organization already established in Alabama nor to combine all SF fans into a single club but rather to inform SF fans of the clubs, cons, activities, etc that come to the state. It was started by Tim Morgan, Rt.3, Box 208, Phil Campbell AL 35581 and asks for \$1 or more donation. He gives more current information on a couple of clubs than I have in the files:

Auburn University SF Club c/o Richard Brandt (home address: 4013 Sierra Drive, Mobile AL 36609).

Star Trek Lives in Mobile (COA) - Rob Richardson, 6509 Creekwood Ct., Mobile AL 46609

This January they offered a new science fiction series' first book by Robert Adams (also in SFC) whose Horseclans novels have already sold over one million copies; it is called Castaways in Time.

Hands in the Dark Enterprises, Inc., PO Box 680488, Miami FL 33168 is interested in places to publicize its different magazines of sf, fantasy and sword & sorcery. The Hands in the Dark Fan Magazine is published quarterly.

Joe Green writes to say that he has sold German rights to his first five books (including An Affair With Genius) and sends a contribution to restore he and Patti "to our desired status as loving patrons - not free-riding pros"!! They have a great attitude!!

New Orleans and Huntsville bids for the 1981 DeepSouthCon are temporarily shelved. As you should know, people attending the AsFiCon this August will be expected to name a site for the 1981 convention but only pursuant to bids by local fans to agree to hold it. Unless a good bidding contest heats up in the next few months, rumor has it that it will go to Birmingham by default. Meade Frierson makes an early advance warning that he is so sick of hotel relations he will have nothing to do with the con if ever asked.

Correction - apparently Chattanooga won the Coin Toss and Atlanta will not change, so both clubs continue (at press time) to meet on the 3rd Saturday of each month (although Chattanooga changed only for March on account of UpperSouthClave).

3. Every organization is asked to make sure that its logo or emblem either appeared in the last Handbpok or has been furnished since then (thank you, Greg Bridges) by June 1.
4. Clubs like FOSFA that collect SFC dues, remember as of August 1980 these will be \$2.00 per year. Also send the listing of people who pay this way with addresses (thank yous to Sue Francis and M.E. Tyrrell)

Nominations for Secretary President, Vice President should reach me at the PO Box by JUNE FIRST - they must show 10 signatures of southern fans. Properly filed for Vice President this time are P.L. Caruthers of Memphis TN, Cliff Biggers of Atlanta GA and Larry Mason of Atlanta GA. Improperly filed (by supporting letter, only 8 more needed) are Shelby Bush III, and Cliff Amos (needs 9).
6. Roster #9 would have been circulated this time but for the @#%\$! flyers weighing it down. Please get all COAs known to you to me by June 1. The newsletter will carry the revised Roster #9 in June/July. No Flyers accepted.
7. We haven't exactly priced the format for the Handbook - it will either be a better tabloid type than last time (smaller and stapled in the middle) or a big Bulletin stapled on the edge.
8. Charlie Williams is hereby formally requested, in front of ghu and fen alike, to donate 3-3/4" wide logos for each major section: Conventions, Clubs, Publications. these can be as long as 3-5 inches. (Could be 5-1/16 so that it can be reduced 74%).

BEFORE FINANCIALS, a word of explanation about the former flyer distribution methods - sponsors of cons normally didn't get a packet of Bull. 22 with their own flyer in it because of the coals to Newcastle hypothesis. Over 700 copies bore 500 of the flyers to the most likely prospects.

The 1980 *ASFiCon* is sponsored by the *Atlanta Science Fiction Club*. With its many members, quite a few of whom have con-giving experience, the committee is well aware of what makes a good science fiction convention and will work to make *ASFiCon* a memorable event.

Hearts Tournament, *The Trivia Quiz*, fan and pro panels, special interest programming (and if you have a special interest, mention it to us if you'd care for some programming time for it), a spacious art show, a plentiful film program and a video room, a masquerade (*providing we have thirty entries or more*), a fanzine display, a game room; we plan to have all the things that make a good science fiction convention. Of course, that includes a con suite where you can get away from it all.

Huckster room tables are moving fast, but some are still available in good locations; write soon to reserve your table. Huckster table charges are \$25 for the first table, including one membership; \$15 for each additional table. To insure variety, we must limit each huckster to *four* tables to begin with; if some tables are available at the last minute, we will let dealers know two weeks before the convention if you indicate you could use more than four tables.

The Jerry Page Roast gives all of us a chance to learn about an old fannish legend, an Atlanta fan who dates back to Atlanta's fan-Pleistocene era. Learn about Jerry Page the fan, the science fiction author, and the editor of, among other things, *THE YEAR'S BEST HORROR* from DAW Books for a few years. Hear all about a Southern fannish legend from the people who know him best.

The traditional DSC date, the weekend before the Labor Day Weekend, allows you to attend ASFiCon as a part of that last vacation week of summer, before most schools have started back in session.

For information, memberships, etc.. use the convenient enclosed envelope and the coupon at the bottom of the flyer. (If the envelope is missing, send your information requests, membership money, room reservations, etc. to ASFiCon, 6045 Summit Wood Drive, Kennesaw GA 30144.) Membership checks should be made payable to ASFiCon.

Banquet rates are unavailable at the present time; if you are interested in the banquet, indicate as such on the coupon enclosed or in your letter, and we will send you price information as soon as it becomes available to us. Menu will also be available at that time.

ASFiCon 1980 will be *the* science fiction event of the South! Be a part of it!

Louisville's Annual Science Fiction & Fantasy Convention

RIVERCON V

August 1-3, 1980

Louisville, KY

Guest of Honor

Roger Zelazny

Fan Guest of Honor

Lou Tabakow

Toastmaster

Vincent DiFate

Back after a year's absence to make room for North-Americon, the fifth RiverCon promises to be better than ever.

We've kept all the features that made the previous RiverCons so enjoyable, and we'll be adding a few individual touches this year just to make things a little more interesting.

Our exceptional guest list is topped by Roger Zelazny, Hugo and Nebula Award-winning author of *Lord of Light* and the *Chronicles of Amber*; Lou Tabakow, the not-so-secret master of Cincinnati fandom; and Hugo-winning artist Vincent DiFate; plus many other luminaries of science fiction and fandom.

RiverCon will again offer everything you expect in an SF convention, and more: 24-hour hospitality suite; huge huckster room; interesting and entertaining panels and discussions; several recent and classic SF films; a dazzling art show and auction; all-night filk-singing; a spectacular midnight masquerade, at which the Ming Awards will be presented; lots of parties, of course; and our traditional Sunday afternoon cruise on the steam-powered riverboat, the Belle of Louisville.

RiverCon's hotel this year is the elegant Galt House, site of the 1979 NorthAmericon. Spacious and well-suited to SF conventions, the Galt House overlooks the beautiful Ohio River and the adjacent Riverfront Plaza.

A 1600-car underground garage provides free parking for hotel guests. Galt House room rates for RiverCon weekend are \$37.00 for single, double, triple, or quad occupancy. To get this special rate, please use the hotel reservation cards that will be sent to all pre-registered convention members.

RiverCon memberships are \$7.50 until July 15, 1980, and \$10.00 thereafter and at the door. Belle of Louisville cruise tickets are \$2.00 each. The banquet price will be announced later. Please make all checks payable to RiverCon.

To join, please write to the address below. For specific information on the following areas, you may also write to:

Art Show: Ken Amos, 1917 Claremoor Dr., Louisville, KY 40223.
