

CON REPORTS (continued)

We have no reports from Roc*Kon 7 which transpired on Oct. 15-17, 1982 in Little Rock AR. Margaret Middleton, chief culprit of the affair, had lined up C.J. Cherryh, Mary Wallbank and Juanita Coulson as guests.

The NecronomiCon was a Halloween fete in Stone Hill FL with Andrew Offutt, Marv Wolfman and Richard Newman as guests.

HaRoSFA presented Sci-Con 4 on Nov. 5-7, 1982 in Virginia Beach, VA with Andrew Offutt as GoH, Ron Miller as Artist GoH and special guests Polly and Kelly Freas, Richard Pini, John Cleve, Jody Offutt, Bob Zentz, and Jerry (Dr. Mad-blood) Harrell.

In Atarantes 65 Cliff Biggers reported that Dee Sharpe and Steve Leaf held another successful comics con over the November 5-7, 1982 weekend. Guests were Paul Smith, Pat Broderick, and Bob McLeod. Tom DeFalco and Peter David from Marvel Comics also attended.

BoShCon, Nov. 19-21, 1982, has been variously called Halfacon '82 and Boshcon I (with ominous forebodings of a string). J.R. Madden's report in BRSFL News 22 puts attendance at 160 but "She-Who-Must-Know" Charlotte Proctor states in Anvil 24 that she knew 100 of the 125 attendees. Bob Shaw from England was the GoH of what was otherwise a relaxicon that Penny Frierson was quoted as saying "was a giant step backwards, in the right direction" meaning as Charlotte Proctor puts it, "what a Southern con should be and what they used to be before we started trying to get "bigger and better". Dave Halterman took the trivia contest honors, Mad Dog Madden's DSC slide show was a hit, there were video and computer features, Hank Reinhardt was (of course) Hearts Champ, and Cindy Riley's T-shirts were a real hit.

The year ended with club parties all around but the magic-that-is-ASFIC managed it in a hotel (which loves 'em) The New Years Party at the Northlake Hilton had a special theme, the collation party for Myriad #100.

And that's the way it went in 1982...

UP-DATE on CLUBS

To TAANSTAAFL and TANJ, I must add one of my own: LANS - life ain't nohow simple. Ten years ago this month we had nothing fannish to look forward to but SFPA mailings, Ken Moore's first con upcoming in the spring in Nashville, the 1973 DSC in New Orleans in August (as an alternative to the worldcon way up in Toronto). Greenfield/Ulrich had not even decided to hold a halfcon in Atlanta. And clubs? ASFO IV was faltering, NCSFA was in-fighting, Nashville disorganized. Now we have the phenomenon of two-club cities!! Atlanta - ASFIC and ASFO; Nashville - NSFC and BEMS; Panama City - Nova Odysseus and The Alliance; Roanoke-Salem - Nelson Bond Society and Second Foundation; Chattanooga - CSFA and ChatSFIC; Memphis - MSFA and MSSFA; and Louisville, Birmingham, etc. be far behind? Of course, Atlanta takes the honors for most discovered clubs -- thanks to Irv Koch, whose ASFAWN is now in the hands of Joe Celko and Brad Linaweaver.

Except to the natives, a club is known by its con-going groups and its publications. SFC being mail-oriented, we can best report what we read, not who we meet. So if your club has a logo, PLEASE SEND IT FOR THE HANDBOOK together with a description (or corrections of what was in the 1980 HB.)

Cliff Biggers gave up the publication of the newsletter of the ASFIC with the 66th issue of Atarantes in December. He cites the duties of co-running Dr. No's Books and Records as the prime reason. The title was agreed to remain his after 5½ years (and, as Cliff says, 3 different addresses, 3 different mimeos, 4 different typewriters). As with CHAT when the Lynches ceased publication, the promise that the editor-publishers will continue in genzine format somehow doesn't quite take the edge off the pain of the loss of something quite special, to which devout fans looked forward...but thanks for the memories, Cliff. Ward, too.

THE REST OF THE NEWS IN A JUMBLE

We've still got some good zines in the Southland despite the passing of the SFC and Atarantes - Our mailbox shows the following still coming with regularity:

Smart Ash #21 from Chimneyville F&SF Society, 5587 Robin - son Rd Ext., Jackson MS 39204 - available for the usual

The NASFA Shuttle - monthly newsletter out of the Huntsville club. Contact Mike Kennedy, 7907 Charlotte Dr SW, Huntsville AL 35802

FOSFAX IS AN excellent and regular publication with Keith Asay at the helm. It brings the first news (omitted above) about Rivercon's guests - L. Sprague and Catherine Crook de Camp; Pan GoH Rusty Hevelin, and T/m Jack Chalker. Keith digs up unusual news around the South, presents good articles and letters. 4111 So. 3rd St #3, Louisville KY 40214.

What can I say? The Nashville Clubs' monthly one-sheets oft bring tears (of laughter) to the eyes. And who is BIGBEM?

BRISFL NEWS is bimonthly pub of the BRISFL (PO Box 14238, Baton Rouge LA 70898-4238) for 6/\$3. Clay Fourrier took over editorship from J.R. Madden a while back and does just fine!

ASFOAWN from Joe Celko and Brad Linaweaver for \$2 to PO Box 10558, Atlanta GA 30310 picks up from where Koch left the state of art of investigative reporting on the metro-Atlanta multi-fandoms plus adds the editors' insights.

ChatSFIC News has most recently come from Nancy R. Segar, Rt. 5, Box 315A, Cleveland TN 37311, though usually produced by A.J. Barker-Bridget

Anvil seems to keep coming back to Charlotte Proctor as Birmingham pole star despite attempts to vest its editorship in a succession of capable people who seem to move. 6/\$5 or The Usual from Birmingham SF Club, PO Box 57031, Bhm AL 35259.

Maybe 63 - Irv Koch never lets us know how regular he will be but somehow after many treats of "no more" there is still a "maybe". Better use the permanent address - c/o 835 Chattanooga Bank Bldg, Chattanooga TN 37402. The Usual.

Memphen continues as MSFA's mouthpiece from Greg Bridges, 266 Garland Place, Memphis TN 38104 (club address is under MidSouthCon listing above).

Transmissions is the bi-weekly one-sheet Robert Teague prepares regularly for Nova Odysseus, PO Box 1534, Panama City FL 32401-0123.

(continued)

Zines (continued)

Ted White, 1014 No. Tuckahoe St., Falls Church VA 22046, continues his excellent (but hard to read, micro) zines in fannish traditional format and content. Gambit, Pong and whatever - all are just grand.

From the old to the new, fledgling second issue of Almost Reality, c/o James K. Woosley, PO Box 5441-3, Nashville TN 37235, bodes well to continue as forum for the considerable talents and personalities of Nashville fandom (traditionally only printed, in part, in Kubla program books)

There could be plenty more but they are not hitting the mailbox. Some come through the apas--in particular, the landmark publication in perceptiveness called A Fan Typology by Beth Lillian and Charlie Williams which ranks right up there in the cosmos with the supernovas.

Speaking of the Apas

SFPA has finished its long Guy Lillian OEShip and shifted once again to New Orleans. OE is Dennis Dolbear, 217 Betz Avenue, Jefferson LA 70121. His first mailing, #111, totalled 430 pages, with 30 members and 43(!) on the waiting list (and eligible to participate in the shadow-apa run by Charlie Williams, 4314 Hayes Av, Knoxville TN 37912).

State apas are a new phenomenon and one we welcome. Apa-27 (for Florida) continues from Robert Teague, 1900 Clay Ave., Panama City FL 32405. The newest is KAPA (for Kentucky) with over a dozen members started by Jane Boster, 110 Purcell Drive, Richmond KY 40475, with #4 due April 1.

Meade Frierson III has abandoned APA-VCR, which he founded in June 1979 for sf fans with video interests, along with SFC; however, the difference is that a thriving intact APA was passed along to Linda Bushyager in Philadelphia to continue with a couple of dozen members. If enough TIMEX SINCLAIR 18000 hackers contact Meade at PO Box 9032, Bhm, AL 35213, he would enjoy correspondence and perhaps something like an apa, exchange of listings, programs, etc.

OTHER NEWS

Our favorite southern-based publishing company, The Donning Company, 5659 Virginia Beach Blvd., Norfolk VA 23502, continues its Starblaze editions of quality paperbacks and brings us, among other delicacies, the South's favorite Okie and (to quote Mr. Ellison) madman, R.A. Lafferty (Aurelia, \$5.95). Also in print is a new series from a writer popular as a southern con guest, L. Sprague DeCamp (The Dragon of Ishtar Gate, \$5.95).

A new writer has contacted us, Robert A. Newsom, Gen. Del, Tunica LA 70782. He has stories in Diverse Dimension, Space Scene and Phenomena.

Fanhistorica #4 (having been misfiled) was to have been in in an earlier section. It is \$1.50 to Joe D Siclari, 4599 NW 5th Av, Boca Raton FL 33431 reprinting material from the past in new format - here are Alva Rogers, Dick Lupoff, Bob Shaw and a continuing serialization of the classic "Ahl Sweet Idiocy" by F. Tower Laney.

There are a lot of other goodies lurking in the foot high stack of letters and other material but time (as ever) is short and we need to bid goodbye to the present members who get the final Roster of this administration (did I mention 12.5 years? Whew.) BUT FIRST THIS PLUG.

I am too interested in computers to be long delayed in having in-house word processing and the labors of love which have paled by time on the organization and other parts of keeping track of the southern fandom scene can be immeasurably aided by microprocessors. Therefore, without promises, deadlines or (at last) guilt occasioned by both of the above, Meade Frierson plans from time to time a Southern Fandom Confederation Handbook and will circulate questionnaires in advance of Handbook preparation. While no information, trades, etc. (especially phone calls) are solicited at this time, I know where you live (generally) and will be in touch.

Belated Confession - I joined fandom in my 30s - in fact was barely 30 when at my first con was tapped for SFC duties - I was active in apas through age 34, fan guest of honor when 37, and peaked out at 39-40. My 40s have brought out my temper and impatience when dealing with certain people and duties become a chore and a bore. So I confess and apologize for being two years late in getting out of this situation. Old timers are asked to remember the good days when you got answers to your letters, circulation of your flyers, and service! I really will shut up this time - I've said goodbye three times and that is enough for anyone.

SOUTHERN FANDOM CONFEDERATION ROSTER #12
April 1983

Southern Fandom Confederation presents to its dues-paid and dues-exempt members a final revision to the 11-state SFC Roster of names and addresses of science fiction and fantasy fans compiled and published by Meade Frierson III.

Certain designations appear after some names indicating at least one area of special interest or primary reason the person would be included (pro writer, artists, con-givers): apa - primary contact with fandom is through apas; com - principal interest in comics; con - conventions; art - an artist, fan or pro; SCA - primary interest in creative anachronism; ST - interested in Star Trek; writes - reportedly willing to write articles, LoCs, reviews, for fanzines; pub - publishes one or more fanzines, might be editor of an apa as well

The logo, which we reported says "Roster" in the runes of Regulus VI, is by Charlie Williams of Knoxville. Joe Celko expressed interest in computer listing so send COAs to Joe under "Georgia" below.

Long-time readers will note a number of addresses have been dropped - some of those may have been valid addresses; because of the length of time since a contact was made at the address and for no affirmative reason it may have been dropped. Also because of the number of changes in recent years in an address (and lack of contact) it was dropped.

Some addresses above are definitely stale - reasonable chance exists for all that forwarding can be accomplished by first class to these addresses.

Contact the clubs - only Nova Odysseus and FOSFA have given recent listings of members' addresses (also ChatSfic). For fans in Atlanta contact Joe Celko. For fans in Nashville contact 1501 Compton Av, whoever corresponds from there. For fans in Chattanooga contact the Lynches or Bridgets (probably both). Contact Tyrrell in Hampton Roads area, Eubanks in Roanoke region, Bridges in Memphis, Proctor in Birmingham, Madden in Baton Rouge, Dolbear in New Orleans, Teague in pan-handle Florida, Kennedy in Huntsville, Watts in Columbia, Asay in Louisville, Boster in Lexington, Morris in Tampa, Middleton in Little Rock; SCA, ST and other specialties will have different contacts from general sf, usually.

WORLDCON ATLANTA, INC./P.O. BOX 10094, ATLANTA, GA 30319 ATLANTA • IN • '86

Dear Southern Fan,

You may have heard of Atlanta in '86 by now. It's been discussed in the SFC bulletins for more than a year. What are the persons identified with it trying to do? We are a group of Southern fans working toward bringing the 1986 world science fiction convention to Atlanta. For too long Southern fans have had to endure traveling long distances to worldcons, endure unfamiliar faces and extra expense, and endure conventions which did not contain that spark of Southernness--that spark that makes our fannish family special and sets it apart.

We on the Atlanta in '86 committee are trying to change all that. We want to bring the South its first worldcon since the NoLaCon of 1951. We are doing all we can to make the convention a reality. We want you to know about and support this special dream, because you are an important part of the effort. Southern Fandom must exert if the dream is to come true.

Worldcon sites are selected two years in advance by a vote of the membership of the current worldcon. That means the members of the 1984 worldcon, L A Con II, will decide on the site of the 1986 worldcon. Our competitors in the site selection race are two highly competent and motivated committees working to bring the convention to either New York City or to Philadelphia. Both these cities have well organized fan communities and considerable support from many fans all across the world. Many of their supporters attend the worldcon every year, and every year they vote. In 1981, at the Denvention, the 6,300 members of Denvention cast more than 1,400 votes in the election that picked Baltimore as the site of the 1983 worldcon. Of these 1,400 votes, fewer than 50 were cast by fans from the SFC states. Not even 50. Without votes, we cannot bring the worldcon to Atlanta.

By voting, you can be an important part of Southern Fandom's effort to bring the worldcon to Atlanta in 1986. The World SF Society constitution spells out how to vote. Here is what to do:

1. Purchase a membership in the 1984 worldcon, L A Con II, which will be held August 30-September 3, 1984, in Los Angeles. You do not have to attend the convention to be a member. L A Con is selling subscribing memberships which entitle you to vote in the site selection election, vote for the Hugos, and receive all the convention progress reports and program books. An attending membership entitles you to all of these things, plus the right to attend the convention.

We are writing you this early because registering for worldcons becomes progressively more expensive as the time of the convention gets closer. The at-the-door rate for the 1982 worldcon, Chicon IV in Chicago, was \$75.00. Right now, L A Con costs \$20.00 for a subscribing membership and \$30.00 for an attending membership. The attending rate goes up to \$40.00 on May 1, 1983. For more information, write L A Con II, P.O. Box 8442, Van Nuys, CA 91409.

2. Pay your voting fee and vote in the 1986 site selection election. During about April or May of 1984, all members of L A Con will get a site selection ballot by mail. You must pay a voting fee if your vote is to count, but don't worry. This time, all of your voting fee goes toward a membership in the 1986 worldcon, no matter which city wins the election. This will be the cheapest way to become a member of the Atlanta worldcon.

You can vote in the 1986 site selection election at any time up to Saturday of L A Con itself, but whenever you decide to vote, you must still pay your voting fee. Of course, if you plan to vote at L A Con, you must have an attending membership and actually travel to Los Angeles to cast your vote.

So here is what you can do to help:

- *Buy a membership in L A Con II, either subscribing or attending.*
Write to: L A Con II, P.O. Box 8442, Van Nuys, CA 91409.
- *Pay your voting fee and vote for Atlanta in the 1986 site selection election.*

With your help, we can bring the worldcon to Atlanta in 1986. We can share our own special brand of fannishness with the rest of world fandom. We can make the dream of a Southern worldcon come true. The South shall rise again!

Yours in fandom,
The Atlanta in '86 Executive Committee
Penny Frierson
Jim Gilpatrick
Charlotte Proctor
Mike Rogers
Ron Zukowski

P.S. Want to do more to help the Atlanta in '86 bid?

The 1983 worldcon, *Constellation*, will be held in Baltimore, Maryland, September 1-5, 1983. Attending memberships are \$40.00 until July.

The Atlanta in '86 committee is looking for Southern fan interested in helping the bid by doing one of the following things:

- Volunteer to help the Constellation committee run the '83 worldcon. Any experience you can gain working on worldcons we can put to good use when Atlanta wins the 1986 convention. Besides, Baltimore can use the help too! Volunteer to Constellation, P.O. Box 1046, Baltimore, MD 21203.
- Volunteer to help with the Atlanta in '86 parties and bid presentations during Constellation. Tell anyone you know on the Atlanta committee that you want to help, or write us at P.O. Box 10094, Atlanta, GA 30319.
- Just attend Constellation! Baltimore is about as close as a worldcon can get without being in the South, so go to Baltimore and get a taste of a really big convention. We hope you'll like it so well you'll want one of your own in '86.
