Deal. TAFF piller:

Enclosed you will find a copy of the ballot for the current TRANSATLANTIC FAN FUND campaign, in which Marion Bradley, Bruce Pelz, and Wally Weber are vying to represent American fandom at the 1964 British convention. The most immediate purpose of this letter is to encourage you to use this form if you haven't already voted -- it will be most convonient for you to send five shillings or the equivelent (cheeques, money orders and postage will be most casily sent and received -- currency from beyond the sterling or dollar areas might be inconvenient) to either Administrator with your vote.

But looking beyond this current TAFF campaign and the convention we're aiming to send an American fan to, we are now thinking about the next campaign. which will elect one of you to represent European fandom at the 1964 World Science Fiction Convention in the San Francisco Bay Area.

Nominations for this campaign will be opened on the first day of September, at the Washington D.C.Worldcon--Ron Ellik will make an appeal to everyone there to mominate the fan of their choice from beyond the Atlantic to come to America on fandom's donations and votes. When you receive this letter, it will be time for you to start moving. You have until the last day of November to send nomination requirements to either Administrator.

If you would like to see one of your friends stand for TAFF, contact others who correspond with him or know him, and get five signatures (three from Europe, two from the Americas) of fans who want to see him up for the trip. Besides these signatures, you need a \$5.00(thirty-six shillings)bond of good faith, a one-hundred word platform describing the candidate, and his signature stating his willingness to travel to California next fall if elacted.

There is time for you to get a campaign going if you act now. Write to either of us for more information -- we'll shoot you back an airmail reply with all the answers we can give.

And send that TAFF ballot in at the same time, will you? Use your right to help select your own guest, at the same time you're making plans to select a representative for the next trip.

Thank you.

Ron Elek USA Administrator.

European Administrator.

The total sum that TAFF held in the British end at the "take-over" in 1963 was 1/5d. The sum now reaches £52.14s. Whilst this is good..it is nowhere near the sum held by the US end which is now over \$700! We at this end may be less numerous; but if everyone were to contribute in one way or another the total would soar to reach somewhere a little more consistant with this being a two-way Fund.
